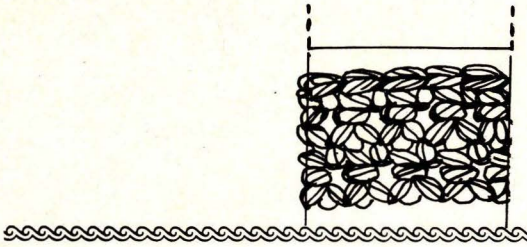
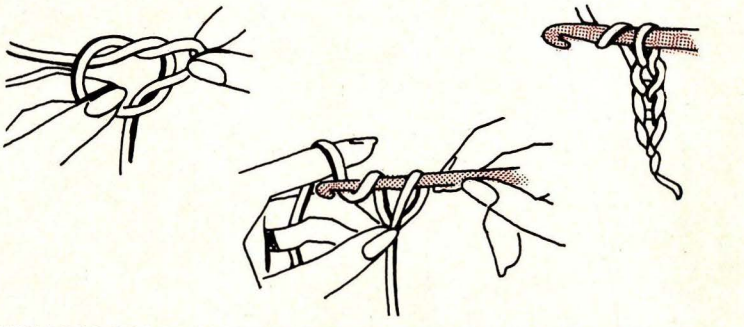
CROCHET BASICS

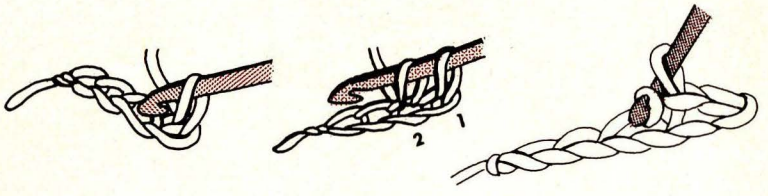
GAUGE: Before you start any article it is IMPORTANT to make a 4″ × 4″ sample of st or square. If your sample is smaller than desired size, either work looser or use a size larger hook. If sample is larger, either work tighter or use a size smaller hook. Any yarn which works into the gauge given with the instructions may be substituted, however, material requirements may vary slightly depending on the yarn you substitute.



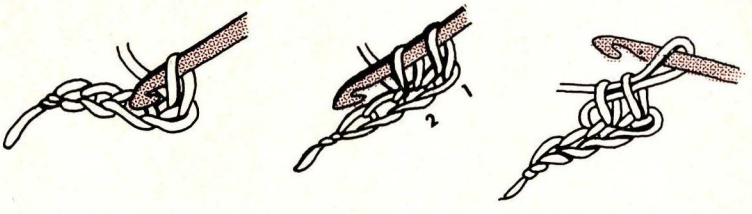
CHAIN (ch): Form a slip loop, * place hook in loop, yarn over hook, pull through loop on hook for 1st ch st; repeat from * for desired number of sts.



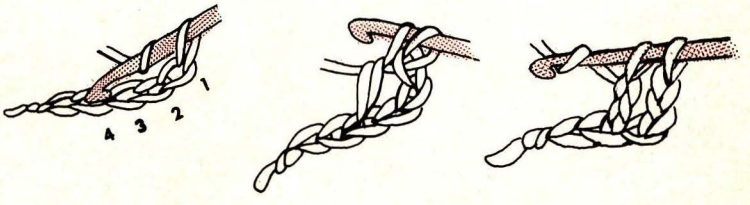
SLIP STITCH (sl st): Insert hook from front to back under one strand of 2nd ch, (2 loops on hook), yarn over hook, pull yarn through st and loop to complete sl st. Work a sl st in each st of foundation ch. To work a sl st in sc, dc or tr, insert hook under 2 top strands and complete.



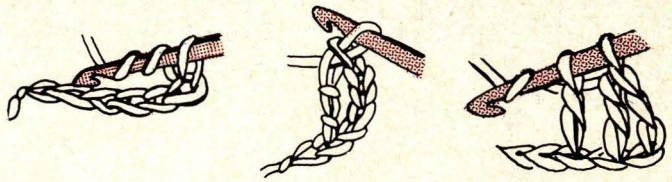
SINGLE CROCHET (sc): Insert hook in 2nd st from hook, yarn over hook, pull loop through st, (2 loops on hook), yarn over hook and draw through 2 loops on hook completing 1 sc. Work 1 sc in each st across 1st row.
ROW 2: Ch 1, turn, insert hook under 2 top strands of next sc and complete as before. Work 1 sc in each sc across row.



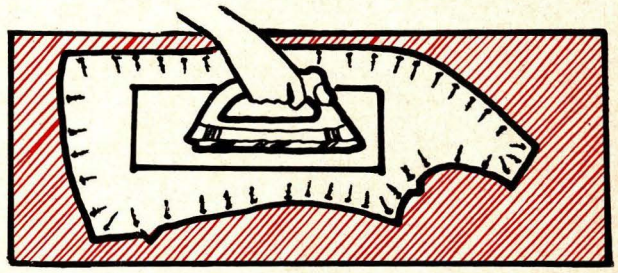
DOUBLE CROCHET (dc): ROW 1: Work foundation ch, yarn over hook, insert hook in 4th st from hook (turning ch takes the place of 1st dc), yarn over hook, pull a loop through st, (3 loops on hook), yarn over and draw through 2 loops, yarn over and draw through remaining 2 loops to complete dc. Work 1 dc in each ch st. **ROW 2:** Ch 3, turn, skip 1st dc of last row, insert hook under 2 top strands of next dc and complete same as 1st dc, work 1 dc in each dc across, working 1 dc in top of turning ch.



TREBLE CROCHET (tr): Work foundation ch, yarn over hook twice, insert hook in 5th st from hook, yarn over, pull through and work off 2 loops (yarn over, work off 2 loops) twice, this completes tr. ROW 2: Ch 4, turn, yo twice, skip 1st tr, insert hook in next tr, pull through and complete same as 1st tr. Work 1 tr in each st across.

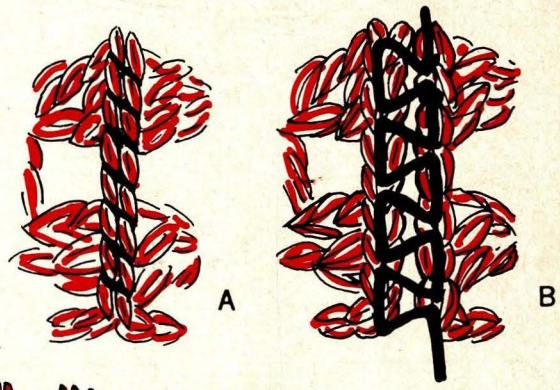


BLOCKING: Place crocheted square right side down on well padded surface. Pin each square or article to size given with each design. Cover with damp cloth, steam (do not press). When two pieces have the same measurements, pin one piece down and block. Place reverse piece on top (right side up), and block. Allow pieces to dry completely before removing pins.



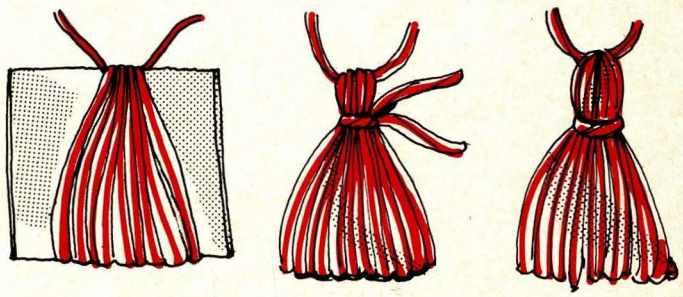
A **JOINING SQUARES:** With tapestry needle and same yarn as last rnd overcast edges of both squares from one ch 3 loop to next, or from one corner sc to next corner sc.

B Butt 2 motifs together, bring needle up through center of corner st of 1st motif, down through corner st of 2nd motif, * up through next st of same motif, down through same st of 1st motif and up through next st of same motif, down through same st of 2nd motif, rep from * until joining is completed.



FRINGE: Wind yarn loosely around a cardboard a little longer than ½ finished length desired. Cut yarn at one end; fold desired number of strands in half to form loop. Working along edge, insert crochet hook from back to front in each (st, space or row), draw loop through from front to back, draw loose ends through loop, and pull tightly to form knot.

TASSELS: Cut a cardboard square a little longer than length of tassel desired. Wind yarn around cardboard until tassel has desired plumpness. With double strand, tie one end securely, slip off cardboard. About ¼" below top or at point desired, wind strand of yarn several times around tassel, tie and secure end. Cut through free end, trim evenly.



As shown on page 23.
